M.D. Homoeopathy Degree Examination (Part-II) - 13-Oct-2022

[Time: 3 Hours] **[Max. Marks: 100]**

MATERIA MEDICA – PAPER - II
(Revised Scheme 5)
Q.P. CODE: 8011

Your answers should be specific to the questions asked
Draw neat, labeled diagrams wherever necessary

Answer All The Questions **10 X 10 = 100 Marks**

1. Describe the theory of Tissue salts. Derive the indications of Calc Phos accordingly
2. Discuss Carcinosin as a drug personality, beyond the notion as the anti miasmatic drug
3. Compare psorinum and medorhinum children
4. Compare the respiratory ailments of Squilla, Senega and Sanguinaria. List the characteristic of the family they belong to
5. Mention the clinical indications of Verbascum, Robinia, Jalapa and Pix Liquida
6. Discuss the therapeutic utility of Ailianthus, Copaiva, Euphorbium and Lathyrus Sativus
7. Describe Causation, mind, respiratory, cutaneous and locomotor manifestations of Causticum. Add a note on its relationship with Phosphorus
8. Justify Natrum Sulph as an anti Sycotic remedy. Mention the syphilitic expressions of Merc Sol
9. Individualize-Pyroginum, Baptisia, Cedron and Cinchona in fever conditions
10. Describe the group characteristics of Halogens, Compare respiratory affections of Bromium and Spongia
