Time: Three Hours **Max. Marks: 100 Marks**

SURGERY INCLUDING ENT, OPHTHALMOLOGY, DENTISTRY AND ORTHOPEDICS – PAPER - II (RS-4)

Q.P. CODE: 1462

Your answers should be specific to the questions asked.
Draw neat, labeled diagrams wherever necessary.

LONG ESSAYS

2 x 10 = 20 Marks

1. Define Intussusception. Describe aetiopathogenesis, clinical features, investigations of Intussusception.
2. Compare and contrast the therapeutic indications of four remedies for Liver cirrhosis.

SHORT ESSAYS

10 x 5 = 50 Marks

3. Discuss aetiopathogenesis and clinical features of Potts fracture.
4. Define Hydrocele. List causes and complications of Hydrocele.
5. List the causes and investigations of Hoarseness.
6. Describe causes and clinical features of Corneal ulcers.
7. Describe aetiology and clinical features of Optic atrophy.
8. Describe the remedial indications of Hepar sulph and Merc sol on Lung abscess.
9. Compare the remedial indications of Rhus tox and Ledum pal in Rheumatoid arthritis.
10. Explain any two remedial indications in Laryngitis.
11. Mention the two remedial indications in Nasal polyp.
12. Explain the remedial actions of Physostigma and Plumbum met in Glaucoma.

SHORT ANSWERS

10 x 3 = 30 Marks

13. Narrate three clinical features of Varicose vein.
14. List three causes of Atropic rhinitis.
15. State clinical features of Menier's disease.
16. State three causes of Epiphora.
17. List three difficulties arising from Cleft palate.
18. Mention the remedial indications of Iodum in Goiter.
19. Indicate the remedial action of Arnica in Retention of Urine.
20. Mention the scope of Arnica in Retinal Haemorrhage.
21. Mention the scope of Thuja in Ranula.
22. Indicate the scope of Hekla lava in Tooth ache.

Time: Three Hours **Max. Marks: 100 Marks**

SURGERY INCLUDING ENT, OPHTHALMOLOGY, DENTISTRY AND ORTHOPEDICS – PAPER - I (RS-4)

Q.P. CODE: 1461

Your answers should be specific to the questions asked.
Draw neat, labeled diagrams wherever necessary.

LONG ESSAYS **2 x 10 = 20 Marks**

1. Define shock. Describe various types of shock.
2. Discuss the role of Natrum – Sulph, Arnica, Aconite and Calendula in head injury.

SHORT ESSAYS **10 x 5 = 50 Marks**

3. Explain pathophysiology of Hypercalcemia.
4. Mention indications and contraindications of Blood transfusion.
5. Explain etiology and clinical features of Cerebral concussion.
6. Explain the effects of Burns on various systems.
7. Define cyst. Describe sites and clinical features of Dermoid cyst.
8. Explain the indications of two Homoeopathic remedies for Haemostasis.
9. Describe the action of Mur-acid and Acid-phos in tumour.
10. Discuss the action of Calc phos and Apis mel in wounds.
11. Explain the action of Ars-iod and Avena sativa in tuberculosis.
12. Describe the role of Agaricus and Agnus castus in burns.

SHORT ANSWERS **10 x 3 = 30 Marks**

13. Define secondary Haemorrhage. List two etiological factors of haemorrhage.
14. Mention three clinical features of Keloid.
15. List three clinical features of Lacerated wounds.
16. Write three clinical features of Syphilis.
17. List three features of infected wound in post operative care of patient.
18. Mention the indications of Echinacea in boils.
19. Mention the indications of Hepar-sul in Abscess.
20. Write the action of Arsenicum alb in Cyst.
21. Mention the action Digitalis in Cardiogenic shock.
22. Write the indications of Iodum in Malnutrition.
