Rajiv Gandhi University of Health Sciences, Karnataka

III Year B.H.M.S Degree Examination – 05-Mar-2026

Time: 3 Hours **Max. Marks: 100**

SURGERY - PAPER - I (RS-3)
QP Code: 1430

Your answers should be specific to the questions asked
Draw neat labeled diagrams wherever necessary

LONG ESSAY **2 X 10 = 20 Marks**

1. Define shock. Describe pathophysiology. Mention clinical features and management of Hypovolemic shock
2. Define Pancreatitis. Mention causes, write clinical features and investigations of Acute pancreatitis

SHORT ESSAY **10 X 5 = 50 Marks**

3. Describe causes, clinical features and investigations of Crohn's disease
4. Explain causes. Mention clinical features and investigations of Gall stones
5. Define Graves' disease. List clinical features of Graves' disease
6. Write clinical features and investigations of Benign Prostatic Hypertrophy
7. Mention causes and clinical features in Hydronephrosis
8. Define Goitre. Mention its classifications and investigations
9. Define Burns. Add a note on Rule of nine
10. Define varicose vein. Mention investigations of varicose vein
11. Define acute cholecystitis. Mention clinical features of acute cholecystitis
12. Define gangrene. Discuss its various types

SHORT ANSWERS **10 X 3 = 30 Marks**

13. Mention clinical features of Fibroadenoma
14. Define Abscess
15. Mention types of benign tumour
16. Define Raynaud's disease
17. Define Carbuncle
18. Mention investigations of Pneumothorax
19. Mention causes of Hernia
20. Write in brief about Liver function test
21. Write clinical features of mitral stenosis
22. Write clinical features of Rupture of Spleen

III Year B.H.M.S Degree Examination – 07-Mar-2026

Time: 3 Hours **Max. Marks: 100**

SURGERY - PAPER II (RS-3)
QP Code: 1431

Your answers should be specific to the questions asked
Draw neat labeled diagrams wherever necessary

LONG ESSAY **2 X 10 = 20 Marks**

1. Define and classify cataract. Write the aetiology, symptoms and clinical stages of senile cortical cataract
2. Write the aetiology, pathology, clinical features and management of knee osteoarthritis

SHORT ESSAY **10 X 5 = 50 Marks**

3. Define Otosclerosis. Write the types, clinical features and management of Otosclerosis
4. Differentiate Antrochoanal and ethmoidal nasal polyps
5. Write the aetiology, types and clinical features of acute tonsillitis
6. Write the clinical features and complications of Pott's spine
7. Define Ptosis. Classify and describe the evaluation of Ptosis
8. Define Meniere's disease. Write the aetiology and management of Meniere's disease
9. Describe supracondylar fracture of humerus briefly
10. Define Uveitis. Explain the aetiology and classification of Uveitis
11. Classify fracture and write the management of closed fracture briefly
12. Describe primary open angle glaucoma briefly

SHORT ANSWERS **10 X 3 = 30 Marks**

13. Explain Bitot's spots
14. Enumerate causes of dental cyst
15. Define gingivitis and mention its complications
16. Define and classify tinnitus
17. Write the causes and clinical features of Laryngeal paralysis
18. Define Brodie's abscess
19. write a short note on cholesteatoma
20. Write the definition and clinical features of vasomotor rhinitis
21. Write a short note on Singer's Nodules
22. Write the deformities seen in rheumatoid arthritis

Time: Three Hours | Max. Marks: 100 Marks

SURGERY INCLUDING ENT, OPHTHALMOLOGY, DENTISTRY AND ORTHOPEDICS – PAPER - I (RS4)
Q.P. CODE: 1461

Your answers should be specific to the questions asked.
Draw neat, labeled diagrams wherever necessary.

LONG ESSAYS **2 x 10 = 20 Marks**

1. Define Ulcer. Explain aetiopathogenesis, clinical features and management of Varicose ulcer.
2. Discuss the role of Arnica, Calendula, Bellis Perennis and Hypericum in Injuries.

SHORT ESSAYS **10 x 5 = 50 Marks**

3. Describe the aetiology, pathology and clinical features of Hypernatremia.
4. Describe the complications of Blood Transfusion.
5. Explain the factors promoting and delaying Wound Healing.
6 Explain the degree of Burns and add a note on Rule of Nine.
7. Explain the pathophysiology, clinical features of Anaphylactic Shock.
8. Explain the indications of Millefolium and Hamamelis in Haemorrhage.
9. Explain the role of Apis Mel and Ammonium Mur in the management of Tumours.
10. Describe the role of Silicea and Nat-mur in Trophic Ulcer.
11. Describe the scope of Kali-iod and Calc-iod in Syphilis.
12. Explain the action of Aconite & Arnica in Burns.

SHORT ANSWERS **10 x 3 = 30 Marks**

13. State the contraindications for Blood Transfusion.
14. State three clinical features in Cerebral Contusion.
15. Classify wounds.
16. Define Cellulitis. State two clinical features in Cellulitis.
17. List three routine investigations in Pre-operative patient.
18. Mention one Homoeopathic remedy for Cellulitis.
19. Mention the indications of Kreosote in Carbuncle.
20. Mention the action of Phytolacca in Tumour.
21. Mention the action of Pyrogenium in Septic shock.
22. Mention the indications of Aethusa Cyn in Marasmus.

SURGERY INCLUDING ENT, OPHTHALMOLOGY, DENTISTRY AND ORTHOPEDICS – PAPER - II (RS-4)
Q.P. CODE: 1462

Your answers should be specific to the questions asked.
Draw neat, labeled diagrams wherever necessary.

LONG ESSAYS **2 x 10 = 20 Marks**

1. Discuss aetiology, various modes of spread, clinical features and investigations in case of Cancer of Rectum.
2. Explain the scope of Homoeopathic medicines like China, Chelidonium, Lycopodium and Colchicum in Liver cirrhosis.

SHORT ESSAYS **10 x 5 = 50 Marks**

3. Explain aetiopathogenesis and investigations of Inter vertebral disc prolapse.
4. Discuss aetiopathogenesis and clinical features in Hydronephrosis.
5. **Describe the action of kali bichromium and aurum metallicum in case of rhinitis**
6. Enumerate causes of blindness.
7. Describe myopia and hypermetropia.
8. Give the remedial indication of Belladonna and Colocynthis in Peritonitis.
9. Describe the two remedies with indications in Osteomyelitis.
10. Describe the action of Belladonna and Mer dulcs in Dysphagia.
11. Mention the action of Phosphorus and Ammonium Carb in Epistaxis.
12. Describe the remedial indications of Zincum met and Thuja in Pterigium.

SHORT ANSWERS **10 x 3 = 30 Marks**

13. List clinical features of Raynaud's disease.
14. List three causes of Epistaxis.
15. Narrate three clinical features of Otosclerosis.
16. Mention the classification of Conjunctivitis.
17. Define Ranula. List two clinical features of Ranula.
18. Mention the remedial indication of Thyroidinum in Thyroid.
19. Indicate one remedy with indication in Hydrocele.
20. Indicate the remedial action of Causticum in Cataract.
21. Indicate the remedial action of Ranunculus bulbosis in Glossitis.
22. Indicate the scope of Mag phos in Toothache.
