Rajiv Gandhi University of Health Sciences, Karnataka

IV Year B.H.M.S Degree Examination – 06-Mar-2026

Time: Three Hours **Max. Marks: 100**

Homeopathic Materia Medica – Paper -I (RS-3)

Q.P. CODE: 1441

Your answers should be specific to the questions asked
Draw neat labeled diagrams wherever necessary

LONG ESSAYS **2 x 10 = 20 Marks**

1. Explain in detail theory of twelve tissue remedies
2. Describe sphere of action , causation, characteristic head and female symptoms of Sepia

SHORT ESSAYS **10 x 5 = 50 Marks**

3. Compare and contrast Rhus Tox and Dulcamara in joint symptoms
4. Compare and contrast Arsenicum Alb and Arum tryph in respiratory complaints
5. Differentiate Ammonium Carb and Borax in female complaints
6. Write characteristic features of silicea in skin symptoms
7. Write Ipecac Respiratory complaints
8. Narrate Colchicum Aut in Joint symptoms
9. Describe respiratory symptoms Kalicarb
10. Describe Pulsatilla in female symptoms
11. List characteristics symptoms of Natrum Phos
12. Write indications of Argentum Met in throat disorder

SHORT ANSWERS **10 x 3 = 30 Marks**

13. Indicate Onosmodium in head complaints
14. Mention characteristics of Kali sulph
15. Narrate three indications of Graphites in skin complaints
16. Mention Phosphoric acid in fever complaints
17. Recall the respiratory symptoms of Cuprum Met
18. State Secale Cor in haemorrhages
19. Mention Naja T in cardiac complaints
20. List indications of Zincum Met in Nervous complaints
21. List three indications Tabaccum in stomach complaints
22. Brief indications of Vaccinum

Rajiv Gandhi University of Health Sciences, Karnataka

IV Year B.H.M.S Degree Examination – 06-Mar-2026

Time: Three Hours **Max. Marks: 100 Marks**

HOMOEOPATHIC MATERIA MEDICA – PAPER I (RS4)

QP Code: 1472

Your answers should be specific to the questions asked.

Draw neat, labeled diagrams wherever necessary.

LONG ESSAY **2 X 10 = 20 Marks**

1. Describe the mental generals, physical characteristics, rectal and skin symptoms of Silicia.
2. Describe the group characteristics of Carbon group. Mention drug picture of Carbo veg.

SHORT ESSAY **10 X 5 = 50 Marks**

3. Explain evolution of symptoms in construction of Homoeopathic Materia Medica.
4. Describe Haemorrhagic indications of Sulphuric acid.
   Or
   Describe fever indications of china officinalis
5. Describe the rectal complaints of Opium.
   Or
   Describe the GIT COMPLAINTS OF IPECACUANHA
6. Explain the urinary complaints of Berberis vulgaris.
7. Describe the Chamomilla child.
   Or
   DESCRIBE THE BARYTA CARB CHILD
8. Compare Borax and Alumina female complaints.
9. Enumerate the characteristics of Bryonia alba, Thuja and Sulphur in Diarrhoea.
   Or
   Enumerate the guiding symptoms of camphora
10. Explain the characteristic features of Naja tripudens.
11. Explain the Hyoscyamus in nervous affections.
12. Explain the Chelidonium maj in Liver disorder.

SHORT ANSWERS **10 X 3 = 30 Marks**

13. State Therapeutic Materia Medica.
14. Mention relationship of Homoeopathic drugs.
15. Indicate Allium cepa in Neuralgia.
16. Mention the Dyspepsia of Ipecacuanha.

Or

Mention the colic of colocynthis

17. List six sensations of Cannabis indica.
18. State the characteristics of Arum triph in Sore throat.
19. State the characteristics of Ignatia alb in Hysteria.
20. State the characteristics of Phytolocca in Mastitis.
21. State the characteristics of Kreosote in Enuresis.
22. State the characteristics of Bromium in Diphtheria.

Time: Three Hours **Max. Marks: 100**

ORGANON OF MEDICINE - PAPER-I (RS-3)
Q.P. CODE: 1443

Your answers should be specific to the questions asked
Draw neat labeled diagrams wherever necessary

LONG ESSAYS **2 x 10 = 20 Marks**

1. Describe Dr. Samuel Hahnemann's clinical classification of diseases
2. Describe the theory of chronic disease

SHORT ESSAYS **10 x 5 = 50 Marks**

3. Describe exciting causes
4. Explain primary action and secondary action with examples
5. **Explain diet and regimen during drug proving**
6. Explain the three points necessary for the process of cure
7. **Define one sided diseases. Explain Management**
8. **Define intermittent diseases. Explain types**
9. Define accessory symptoms, Explain types
10. Discuss Idiosyncrasy
11. Explain the treatment procedure for Mental disease of acute origin
12. Describe "Mongrel Sect'

SHORT ANSWERS **10 x 3 = 30 Marks**

13. Describe animal magnetism
14. Define maintaining cause. Give examples
15. Write a note on 'Easily comprehensible principles'
16. Describe routes for administration of medicine
17. Describe complex disease
18. Describe 'Surrogate'
19. Define Ideal cure
20. List three advantages of 'Drug proving' on the prover
21. Define Materia Peccans
22. Describe foot notes

Time: Three Hours **Max. Marks: 100 Marks**

ORGANON OF MEDICINE, PRINCIPLES OF HOMOEOPATHIC

PHILOSOPHY AND PSYCHOLOGY - PAPER - I (RS4)

QP Code: 1470

Your answers should be specific to the questions asked.

Draw neat, labeled diagrams wherever necessary.

LONG ESSAY **2 X 10 = 20 Marks**

1. Justify drug proving in homoeopathy is scientific.
2. Explain intermittent diseases with suitable examples.

SHORT ESSAY **10 X 5 = 50 Marks**

3. Explain Nature's law of cure.
4. Discuss the role of homoeopathy in surgical cases.
5. Discuss the treatment of non venereal chronic diseases.
6. Explain management of mental diseases.
7. **Define local Melady. Explain Management of local Meladies**
8. Discuss the management of acute diseases.
9. Discuss the diet and regimen in acute and chronic diseases.
10. Explain the mode of administration of 50 millesimal potency.
11. Discuss clinical understanding of different types of aggravations.
12. Explain galvanism and electricity.

SHORT ANSWERS **10 X 3 = 30 Marks**

13. Discuss fundamental cause.
14. Discuss isopathy.
15. List qualities of physician.
16. List the importance of day book in drug proving.
17. Discuss homoeopathic specific remedy.
18. List the types of one sided diseases.
19. List uses of the genus epidemics.
20. Define idiosyncrasies.
21. Discuss surrogates.
22. List qualities of ideal prover.

Rajiv Gandhi University of Health Sciences, Karnataka

Time: Three Hours **Max. Marks: 100 Marks**

HOMOEOPATHIC MATERIA MEDICA – PAPER II (RS4)

QP Code: 1473

Your answers should be specific to the questions asked.

Draw neat, labeled diagrams wherever necessary.

LONG ESSAY **2 X 10 = 20 Marks**

1. Describe the drug picture of Sanicula with reference to general characteristics, skin and female complaints.
2. Describe Causticum with reference to general characteristics, mind, skin and urinary complaints.

SHORT ESSAY **10 X 5 = 50 Marks**

3. Enumerate the general characteristics and throat complaints of Diphtherinum.
   Or
   Enumerate the general characteristics of Iodum.

4. Enumerate the general characteristics and nervous complaints of Artemesia vulgaris.
   Or
   Enumerate the general characteristics and Skin complaints of Bacillinum

5. Compare Justicia adathoda and millefollium in Respiratory complaints.
   Or
   Compare Zincum met and Plum Met in paralysis

6. Describe the indications of Ratanhia in rectal affections.
   Or
   Describe the indications of Sabadilla in respiratory complaints

7. Enumerate the general characteristics and clinical applications of Adrenalin.
   Or
   Enumerate the general characteristics and clinical applications of Sabina

8. Compare X-ray and Radium bromide in skin affections.
9. Enumerate the general characteristics and clinical applications of Sycotic B.
10. Explain indications of Lobelia inflata in gastric (GIT) and female complaints.
11. Describe the indications of Ranunculus bulbosus in respiratory complaints.
12. Describe the indications of Climacteric and Cardiac affections of Glonoine.

SHORT ANSWERS **10 X 3 = 30 Marks**

13. Mention the indications of Veratrum veridae in apoplexy.
    Or
    Mention the indications of Cocclus in traveling sickness

14. List the indications of Stannum met menses.

15. Mention the indications of Sarsaparilla in locomotor affections.
    Or
    Mention the indications of Merc Sol in ulcers

16. Mention the indications of Cassia sophere in extremities.
    Or
    Mention the indications of Psorinum in Asthma

17. Mention the indications of Caulophyllum in joints ailments.
    Or
    Mention the indications of Abrotanum in joint ailments.

18. Mention the indications of Mephites in whooping cough.

19. Mention the indications of Calotrophis in Skin affections.

20. Discuss briefly hysteria of Raphanus.

21. List the indications of Physostigma in eye affections.

22. Mention the indications of Cedron in headache.

COMMUNITY MEDICINE - (RS-3)
Q.P. CODE: 1446

Your answers should be specific to the questions asked
Draw neat labeled diagrams wherever necessary

LONG ESSAYS **2 x 10 = 20 Marks**

1. Describe how to investigate an Epidemic disease in detail. Add a note on Genus epidemicus with example.
2. Describe risk factors for Non-communicable diseases. Discuss controlling and preventive measure of Diabetes Melitus.

SHORT ESSAYS **10 x 5 = 50 Marks**

3. Explain process of Rapid sand filtration of water.
4. Discuss importance of Mid Day Meal programme.
5. Explain objectives and advice given to pregnant woman in Antenatal care.
6. Explain steps in case control study with example.
7. Describe Dynamics of Disease Transmission.
8. Expand WHO and write its objectives and work.
9. Explain methods of Statistical Representation of Data.
10. Describe causes, clinical features and prevention of pneumoconiosis.
11. Write function and staff pattern of Primary Health Center.
12. Describe Mosquito controlling measures.

SHORT ANSWERS **10 x 3 = 30 Marks**

13. Write functions, sources and deficiency of Folic acid.
14. Define sewage and refuse.
15. List the methods of communication of health education.
16. Define incidence and prevalence with example.
17. How to prevent hypertension according to various levels of prevention.
18. Write advantages and disadvantages of safe period.
19. List the work of ASHA.
20. Write benefits of breast feeding.
21. Write preventive methods for Typhoid.
22. Write contribution of Indian System of Medicine.

QP Code: 1440

Your answers should be specific to the questions asked.

Draw neat, labeled diagrams wherever necessary.

LONG ESSAY **2 X 10 = 20 Marks**

1. Define Meningitis. Explain indications of Helleborus Niger, Tuberculinum, Apis Mellifica and Cuprum Metallicum in Meningitis
2. Define Infective Endocarditis. Explain indications of Arsenicum Album, Pyrogenium Kalmia Latifolia and Echinacea Angustifolia in Infective Endocarditis

SHORT ESSAY **10 X 5 = 50 Marks**

3. List the indications of Eupatorium Perfoliatum and China Officinalis in Malaria
4. List the indications of Calcarea Phosphorica and Calcarea Carbonica in Delayed Milestones
5. List the indications of Argentum Nitricum and Borax Veneta in Phobia
6. List the indications of Crotalus Horridus and Lachesis Mutus in Haemophilia
7. List the indications of Bryonia Alba and Kalium Bichromicum in Pneumonia
8. List the indications of Arsenicum Album and Thuja Occidentalis in Addisons Disease
9. List the indications of Natrum Muriaticum and Kalium Bromatum in Acne Vulgaris
10. List the indications of Sulphur and Petroleum in Eczema
11. List the indications of Apocynum Cannnabinum and Apis Mellifica in Nephrotic Syndrome
12. List the indications of Lithium Carbonicum and Ledum Palustre in Gout

SHORT ANSWERS **10 X 3 = 30 Marks**

13. Indicate China Officinalis in Pancreatitis
14. Indicate Carcinosinum in Cancer
15. Indicate Naja Tripudians in Rheumatic Fever
16. Indicate Hydrangea Arborescens in Hematuria
17. Indicate Baryta Carbonica in Quinsy
18. Indicate Lycopus Verginicus in Hyperthyroidism
19. Inidcate Coffea Cruda in Insomnia
20. Indicate Arsenicum Sulphuratum Flavum in Leucoderma
21. Indicate Hyoscyamus Niger in alcoholism
22. Indicate Arsenicum Iodatum in pulmonary Tuberculosis
